

Meat Cove Mountain Trail

Meat Cove Mountain Trail 1.3 km to eastern end of ridge. This trail starts a short distance up the road from the Internet Café and is marked by a small sign on a tree, and a few stones placed to form steps, the trail climbs steeply nearly 900ft in the first 0.75km and then levels off somewhat. The grassy ridge of the mountain extends over a kilometer with fantastic views in all directions.

Excellent refreshments, the latest information about the area trails and parking, is available at the Internet Cafe opposite the cafe is a sign saying "trail parking" although its a good idea to check in with the folks at the cafe
